Directions to Opie Auditorium, Cornwall College, Camborne

Cornwall College Camborne is conveniently located beside the A30. For those travelling west look for the slip road with signage for Pool (there is also a large brown tourism sign for attractions such as geographical museum, engine house etc). When travelling east you require the slip road signposted Camborne (please note not 'Camborne West' which is the slip road approx 2 miles before).

When leaving the slip road you will see our Penhaligon building (brown building) and **Opie building** (blue building) on your left hand side. Immediately after the Opie building turn left and follow the road round to the car park, if you reach the double roundabouts you have gone too far.

If you are unable to find a parking space in this car park, return to the college entrance by the Opie Building and turn left onto the main road (Tolvaddon Road). Turn left at the mini roundabouts onto Trevenson Road. The main college entrance is on the left. Go straight ahead over the speed bumps – the main car park is at the end of this road to the right of the mini roundabout. Follow the pedestrian signs to the Opie Building.

Cornwall Sustainable Building Trust & Envirowise

Sustainability in Construction Seminar
- Guidance on Managing your Site Waste

9.00am to 12.30pm, Thursday 4th May,
Opie Auditorium, Cornwall College, Tolvaddon Road, Camborne
